Teachers' Meeting.

The regular meeting of the Southern
Shiawassee County Teachers' Association
will be held in the high school
building, Morrice, October 12th, 1901.
Every teacher in the southern half of
the county is requested to be present
and take part.

Durand Liquor Dealer Arrested.

Wm. K. McNicol, proprietor of the
Hotel Richelieu at Durand, was ar-
rested Tuesday charged with not re-
moving the blinds and drawing the
shades in his saloon on Sunday. He
pleaded guilty to a similar charge in the
circuit court yesterday.

Sidewalk Damage Suit.

James Hunter, by his attorney, R.
W. Connor, of Detroit, has brought suit
against the village of Durand, trespass
on the case, claiming \$10,000 for dam-
ages sustained on a defective sidewalk.
Hunter brought suit against Durand
two years ago, but the case was thrown
out of court.

Associated Charities.

The Associated Charities request that
parties having clothing to contribute,
send the same to Mrs. S. F. Hughes,
320 N. Oak street. There is a demand
for clothing for children who should be
in school and who cannot attend for
lack of suitable garments. Here is an
opportunity for the display of a home
missionary spirit.

Changes Position.

Arthur J. Bertrand, who has been
employed for the past four years in the
office of the Owosso Carriage Co. in a
clerical position, has resigned to accept
a place as traveling salesman for the
Akron Gear Co., of Akron, Ohio, and
left Wednesday to begin his new work.
Mr. Bertrand has had a good business
training and will undoubtedly make a
success of his new work—as all Owosso
boys do. Owosso will continue to be
his home.

Social Union Officers.

The annual meeting of the Congrega-
tional Social Union was held in the
church parlors Tuesday afternoon.
The reports presented showed that
about \$450 had been raised by the
ladies during the year. The officers
elected for the ensuing year are:

President—Mrs. A. M. Hume
1st Vice Pres.—Mrs. G. B. McCaughna
2d Vice Pres.—Mrs. S. A. Evans.
Secretary—Mrs. J. B. Sullivan.
Financial Secy.—Mrs. C. D. Stewart.
Treasurer—Mrs. E. W. Woodward.

Vicious Assault.

About ten o'clock Saturday night as
Lee Earle, who is employed by W. H.
VanSice in his wood yard on the West
Side, was going home he met two half
drunken men on the Main street bridge.
As they passed one of the men made
an insulting remark and as Earle
turned to look at the men one of them
rushed at him and struck him a terrific
blow on the jaw, breaking the same.
Both men then made off as rapidly as
possible and Earle was unable to re-
cognize either of them. Dr. P. S. Wil-
son attended Earle and made him as
comfortable as possible.

To Meet in Owosso Next Year.

At the meeting of the Michigan Fed-
eration of Labor held in Flint last week,
the invitation of the Owosso Federal
Labor Union to hold the meeting next
year in this city was accepted. The
most important action of the meeting
was the passing of a resolution for-
bidding union men from becoming
members of the Michigan National
Guard. The action was taken to pre-
vent union men from being called into
service to quell any trouble which
might arise in the case of a strike of
union men.

Reception to Rev. and Mrs. James Chapman.

A very pleasant reception was ten-
dered to Rev. and Mrs. James Chapman
Tuesday evening after their return to
the Owosso and Burton charge for an-
other year, by the Burton church. The
first part of the evening's program
consisted of recitations and singing and by
a short address by the pastor. After
the address, company to the number of
one hundred twenty, sat down to an
elegant chicken supper. The evening
was a most enjoyable one in every re-
spect and the already pleasant relations
between the congregation and the
pastor and family were made still more
pleasant by the memories of this oc-
casion.

Re-Elect Mr. Slocum.

Among the duties devolving upon the
supervisors of the county at their meet-
ing next month will be the election of a
member of the county board of school
examiners to succeed Mr. Howard E.
Slocum, of Venice township. It occurs
to us that the supervisors cannot do
better than re-elect Mr. Slocum, who
has served two terms very acceptably.
He is thoroughly competent, has the
interests of the schools at heart and is a
good man to keep in the position.

Fred Hamilton Located.

Sheriff Gerow left for Crookston,
Minn., Saturday, to bring back Fred
Hamilton, of Durand, who left rather
suddenly last winter after forging sev-
eral notes. Hamilton has been at work
in Crookston most of the time since
leaving. It is understood that some
settlement of the charge against Hamil-
ton has been arranged for and that the
case will probably be dropped. His
arrest was brought about by the print-
ing of his picture in police papers.

Losses Adjusted.

President Parmenter, Secy. Patchel
and Director Moore of the Shiawassee
County Mutual Insurance Company, met
at Corunna, Friday and adjusted the
following losses, all of which were
caused by lightning except the last:

U. G. Philpenny, of Middlebury, dam-
age to house, \$100; Fred Gute, Middle-
bury, barn and contents, \$546; C. F.
Vauthrot, Hazelton, damage to hay, \$10;
G. M. Hartwell, Bennington, heifer,
\$38; A. B. Finch, Bennington, hog, \$6;
C. M. Colby, Woodhull, heifer, \$13; W.
O. Horton, Perry, \$6; Lewis and Emery
Simpson, Owosso township, damage on
house and contents, \$100.

Accidental Death.

The two year old daughter of Mr. and
Mrs. Frank Munger, residing near
Kerby, fell into a pail of scalding water
on Saturday morning and as a result of
her burns died that evening. Every-
thing possible was done to relieve the
sufferings of the little one but to no
avail. The parents, who are nearly
heart-broken over the death of their
little one, have the sympathy of the en-
tire community. The funeral services
were held Monday afternoon, Rev. G.
E. Sloan, of Corunna, officiating. Mr.
and Mrs. Munger, Mr. and Mrs.
Dant. Munger and Mrs. E. B. Young
desire to extend their sincere thanks
to all who so kindly assisted them
in various ways.

Another "Blind Tiger."

This time it is a citizen of Lennox
who is under arrest for running a
"blind tiger." The complaint was made
by Deputy Sheriff Eben Hovey, of Du-
rand, and charges Fred Reed with dis-
pensing "hop pop" without the neces-
sary license for selling drinks of the
nature of the stuff. He was arraigned
in the circuit court Wednesday but re-
fused to plead. His case will go over
until next term. It might be pertinent
at this time to ask what is to be done
with the "blind tiger" said to be run at
West Haven.

LATER—Mr. Reed appeared in court
yesterday and pleaded guilty. It appears
that Reed did not run the place but is
simply in the employ of another person.

Death of Walter Wright.

Mr. Walter Wright died at his home
in Morrice on Monday, aged 77 years.
He was born in Green county, N. Y.,
came to Michigan with his parents in
1842, locating in Livingston county.
Mr. Wright removed to Antrim town-
ship in 1848, went to California in 1851,
remaining there until 1855 when he came
back to this county and lived in Antrim
township and Morrice until his death.
With his brother Isaac he built and op-
erated a saw-mill at what was known as
Lookingglass River in 1848. He had
held a number of township offices and
was prominent in many ways; a mem-
ber of the M. E. church for fifty years,
and also an Odd Fellow. His death is a
distinct loss to the community, as he
was a thoroughly good citizen.

Y. M. C. A. Changes.

The Y. M. C. A. directors held their
regular monthly meeting in the Associ-
ation rooms Tuesday evening and dis-
cussed various plans for the work of the
Association during the coming months
besides transacting routine and other
business. Among the more important
items of business done the election of a
director to succeed I. H. Keeler, re-
signed, was taken up and Robert W.
Tawse was chosen to fill the place. An-
other important change was made in
the election of Fred G. Sutherland as
assistant secretary. Mr. Sutherland
will begin his duties October 1 and will
in addition to his other duties, do the
janitor work about the rooms. Ar-
rangements were also discussed for the
reception which will be given in the
rooms next Wednesday evening to the
members of the Federal Union.

Shiawassee's Proportion of the State Tax.

Under the equalization as fixed by
the State Board, Shiawassee county
will pay .01361 per cent of the State tax
each year for the next five years as
compared with .01511 per cent during
the past five years, a decrease of .00150
per cent.

Reunion Twenty-Third Infantry.

The annual reunion of the 23d Regi-
ment Mich. Vol. Infantry was held at
Durand on Friday last with just about
a hundred members in attendance. It
was one of the best reunions the regi-
ment has ever held and words of praise
were heard on all sides for the citizens
of Durand. Rev. J. F. Fryer, pastor of
the Durand Congregational church, de-
livered a splendid address of welcome,
which was received with frequent
bursts of applause. The response was
delivered by Capt. J. Albro, of Flint.
Short addresses were also made by
Captain D. Stewart, of Flint; Regimen-
tal Surgeon, T. P. Hubbard, of Saginaw;
St. Johns, Lieut. Keeler, of Bridgeport,
Wheaton Carpenter, of Saginaw, and
Capt. Briscoe, of Detroit. By vote of
the regiment Lieut. Frank and Mr.
Louis Buckingham, son of the late Geo.
W. Buckingham, of Flint, and Gerald,
son of T. E. Haskins, were made
honorary members.

Epworth League Entertained Teachers

The Epworth Leaguers of the Meth-
odist church entertained the teachers of
the city in the parlors of the First M.
E. church, Wednesday evening, and
from reports of those who were in at-
tendance there was little in the way of
improving the entertainment provided
which might be suggested. Particular
effort was made to see that the new
teachers were made to feel that they
had friends among the members of the
society and that they wished to assist
them in getting acquainted with people
in the city which is to be their home for
the next few months. Superintendent
Austin, Principal Osburn and about
twenty-five of the other members of the
teaching force were present. In addi-
tion to the members who served on the
reception committee and those who as-
sisted in serving the light refreshments
which the league provided for its guests
the following took part in the short pro-
gram of musical numbers and readings:
Mrs. J. B. Sullivan, Misses Nellie Goss
and Mary Lyon, August Wesener, E. E.
Lohnes, Roy Knapp, and Mr. Doerr.
The reception was a success considered
from each and every standpoint.

Brown-Rigley.

Miss Teresa Brown and Mr. Chas.
E. Rigley, Jr. were married at eight
o'clock Saturday evening, the ceremony
being performed by the Rev. P. J.
Slane, at St. Paul's rectory in this city.
Mr. and Mrs. Rigley were driven at
once to their new home 310 Michigan
avenue, which had been furnished by
Mr. Rigley, where they at once began
housekeeping.

The time of the wedding had been
kept a secret from all except a very
few of those most immediately con-
cerned and while all of the friends of
both bride and groom supposed that
the wedding day was not far distant,
the majority were greatly surprised on
Sunday and Monday to learn that the
wedding had already taken place and
that congratulations, instead of surmises
as to the date of the wedding, were in
order. It is needless to say that the
telephone which was put in as one of
the first fixtures in the house was in use
during the first of the present week for
that purpose.

Both Mr. Rigley and his bride are well
known in this city where they have
lived the greater part of their lives.
Both were students in the high school
in this city and both have made this city
their home since leaving school, except
for the two years which Mr. Rigley
spent in Olivet College after his gradu-
ation here. Miss Brown has for some
time past been chief operator at the
office of the Michigan Telephone Com-
pany in this city where she made many
friends by her pleasant, obliging treat-
ment of the company's patrons and by
her highly efficient and capable work.
In a social way she has been a favorite
with her associates among the young
people of the city. The groom is a
member of the Masonic fraternity and
one of the best known of the younger
business men of the city. He is secretary
of the Estey Manufacturing Company
and enjoys not only the heartiest friend-
ship on the part of the company's em-
ployees but the appreciation of the
company, of which he is also one of
the directors, as well, for his efficient
service. THE TIMES joins with other
friends in extending the heartiest con-
gratulations and good wishes.

Cider Mill

at Owosso will run Wednesday of each
week beginning Oct. 2.
A. T. THOMAS.

Wilber-Hershey.

Miss Alma Wilber, daughter of Mr.
and Mrs. George Wilber, and Mr. Rob-
ert D. Hershey were married Wednes-
day afternoon at the home of the bride's
parents, 820 Ada street, Rev. Carlos H.
Hanks officiating. The house was pret-
tily trimmed and the wedding party
stood under an archway of white asters
and asparagus fern. The bride wore a
gown of Persian lawn trimmed with
white ribbon. After congratulations
the guests, composed of the relatives
and a few of the immediate friends of
the bride and groom, were served with
a fine wedding supper at the home of
the latter, which had been already fur-
nished for their occupancy, across the
street.

Both the young people are well known
in the city and are held in the highest
esteem by all of their acquaintances.
Mr. Hershey is pressman for the Even-
ing Argus and until recently his bride
has been one of the compositors in the
same office. Out of town guests who
attended the wedding were: Messrs.
Melvin and Arthur Crowner, of St.
Johns; Miss Hyde, of Lansing; Mrs. Wes-
ley Baughn, of St. Johns; Mrs. Burton
Mills and daughter Neva, of Flint;
Orville Crowner, of DeWitt; and Mr.
and Mrs. C. C. Day, of West Haven.

Sympathy from British Columbia.

Mr. and Mrs. A. T. Thomas, of this
city, are in receipt of a letter from their
son Emory of date of the 16th, contain-
ing an account of the intense interest
with which the bulletins announcing
President McKinley's heroic fight with
death were watched for and read. He
also sent copies of two of the Vancouver
dailies showing the way in which they
treated the news. As a matter of fact
the treatment was almost exactly as it
was on this side of the border. It was
almost the sole topic of news, while the
editorial utterances were full of sympa-
thy—in fact, the editors seemed almost
to make the loss as much a loss to the
Canadians themselves as to the people
of the United States. The Vancouver
Daily Province and The Daily World,
of the same city, devoted their entire
front pages to news of the death and
the taking of the oath by President
Roosevelt and both published pictures
of the men. According to Mr. Thomas
the crowds stood about the bulletin
boards until the traffic was interfered
with and at eleven o'clock seemed as
large as ever. After the news was re-
ceived all flags in the city were placed
at half mast and on Sunday memorial
services were held in the churches of
all denominations.

Two New Postmasters.

Congressman Fordney announced
this week that he had settled the
contest for the post office at Byron
by deciding to appoint Mr. Fred D.
Stowell, who was very strongly en-
dorsed for the position by the leading
Republicans of the township. Mr.
Stowell is a well known business man,
conducting a jewelry store in the vil-
lage. That his appointment will prove
satisfactory is shown by the large num-
ber of letters received by the Congress-
man asking that he be appointed. He
will succeed Mr. Clarence Welch who
has filled the position in a painstaking
and careful manner since early in April,
1897. Mr. Welch did not ask for en-
dorsements for re-appointment until
after the friends of Mr. Stowell had
quietly canvassed the patrons of the
office for letters endorsing him, placing
Mr. Welch at a decided disadvantage.
It is not known just when the change
will be made.

Mr. Fordney has also decided to fore-
stall any contest at Laingsburg by stat-
ing that he will appoint Hon. H. H.
Pulver to succeed Postmaster Phillips,
Jan. 1st. This announcement will
please the Republicans in all parts of
the county as it is generally conceded
that Mr. Pulver has fairly earned and
is entitled to this recognition. It has
also been agreed on all sides for
months past that he would be selected
for the place when the time came for
the change, and so well understood
was it in Laingsburg that it is doubtful
if any candidate would have come up
against Mr. Pulver.

THE TIMES extends its congratula-
tions to both the successful gentlemen
and hopes each may enjoy the work of
the positions given them.

Granges of Shiawassee County Take Notice.

representatives to the State Grange will
be held in Richardson's hall on Tues-
day, Oct. 1st, at one o'clock p. m.
Owosso township grange will hold their
regular meeting at four o'clock p. m.
instead of 7:30 p. m.
